Please submit the abstract at: yapawards@gmail.com

For more details please visit: www.vishwaayurveda.org

Dear Vaidyas,

We are pleased to inform you that the Vishwa Ayurveda Parishad has been conducting the All India Ayurveda Thesis Award annually since 2021. This award ceremony is part of the academic and professional events organized nationwide to commemorate the contributions of the late Prof. Vd. P.B.A. Venkatacharya.

Prof. Vd. P.B.A. Venkatacharya, a National Dhanwantari Ayurveda Awardee, was a distinguished Professor of Kayachikitsa and a renowned practitioner of Ayurveda, coming from a family of esteemed Vaidyas and freedom fighters. Born on October 21, 1943, in Andhra Pradesh, his life motto was "Ayurveda First." He began his professional journey as an Ayurveda Medical Officer in the Department of AYUSH and served in various roles, including Research Officer, Reader, Professor, and Principal.

Throughout his career, he guided numerous postgraduate students and made significant contributions to areas such as Muscular Dystrophy, oral Ayurvedic anaesthesia, and post-operative management using Ayurvedic drugs. He developed different types of Kshara sutras and worked on leech therapy for thrombotic venous disease and other conditions. His research also included Tuberculosis management and Rasayana therapies for various ailments. He conducted many botanical tours in the Srishailam Nallamalla forest and authored several books on Kayachikitsa tailored for students and practitioners alike, with over 50 publications to his credit.

As an eminent speaker, he chaired numerous national and international Ayurvedic seminars and served as the editor for both the Journal of ISM&H and the Sanjeevani Ayurveda Journal, Government of Andhra Pradesh. Over his 54-year career, he tirelessly worked to create a collaborative research environment, bridging the gap between Ayurveda and Allopathy. He had the privilege of treating many notable figures, including Mananiya Pandit DeenDayal Upadhyaya, Bala Saheb Devaras, and P.V. Narsimha Rao, among others. His grandfather, Vd. P.B.A. Krishnamacharya, was a legendary Ayurvedic physician in Southern India, contemporary to Pandit Divigopalacharya and Vd. Achanta Laxmipathi.

Vd. P.B.A. Venkatacharya received numerous awards, including the Prof. R.N. Sharma Memorial National Award and a Lifetime Achievement Award from the Department of AYUSH, Government of Telangana. He passed away on June 7, 2020, leaving behind a rich legacy and inspiring memories for the Ayurveda community across Bharat. He served as the National Vice-President and Patron of Vishwa Ayurveda Parishad for several years, making commendable contributions to the organization's growth.

In recognition of his legacy, VAP initiated the All-India Ayurveda PG Thesis Competition in 2021, selecting two subjects each year from the Ayurveda PG curriculum. This year, **Dravyaguna Vigyan** and **Rasa Shastra & Bhaishajya Kalpana** have been chosen as the subjects. To encourage meaningful research in Ayurveda, the Vishwa Ayurveda Parishad has established these annual memorial awards.

We invite you to actively support this initiative by promoting it widely and encouraging postgraduate scholars to participate and dedicate their efforts to advancing Ayurveda.

Thank you.
Regards

In service of Ayurveda since 1997
