# WELCOME

Embark on a journey of discovery at **VAPCON 2025**, the National Ayurveda Conference dedicated to bridging the timeless wisdom of Ayurveda with the latest scientific advancements. Under the unifying theme "Ancient Insights - Modern Advancements", this premier event will convene leading minds to explore innovations and evidence-based practices across pivotal Ayurvedic specialties. Join us in the vibrant city of Hyderabad for two days filled with insightful sessions, dynamic discussions, and unparalleled networking opportunities that are set to shape the future of holistic healthcare. We look forward to welcoming you to this enriching experience!

## About Vishwa Ayurveda Parishad (VAP)

Established in 1997, the Vishwa Ayurveda Parishad (VAP) is a prominent global organization passionately committed to the promotion, preservation, and revitalization of Ayurveda. VAP serves as a dynamic platform, uniting Ayurvedic scholars, dedicated practitioners, insightful researchers, enthusiastic students, and wellness advocates from around the world.

### Our Vision:

To establish Ayurveda as a globally accepted, evidence-based system of health and wellness, rooted firmly in Indian knowledge systems, and contributing meaningfully to the holistic health of humanity.

### Our Mission:

- To promote classical Ayurveda while actively encouraging modern scientific validation
- To create a unified global community of Ayurvedic professionals
- To advocate for Ayurveda-friendly health policies and essential educational reforms
- To increase public awareness about Ayurveda's profound preventive and curative potential
- To support sustainable, eco-friendly, and ethical healthcare practices

VAP plays a critical role in aligning the profound wisdom of ancient Ayurveda with the health demands of the modern world, aspiring to make Ayurveda an integral part of global health discourse.

### Credit Points:

Attendees of VAPCON 2025 will be eligible to receive Credit Points as per the guidelines of the National Commission for Indian System of Medicine (NCISM), New Delhi. This conference is designed to meet the continuous professional development requirements for Ayurveda practitioners. Further details regarding the application process and the exact number of credit points awarded will be communicated shortly on our website and during the conference. We encourage all practitioners to take advantage of this opportunity to enhance their knowledge and fulfill their professional obligations.
